

# Would you like to...

...contribute to PPI's global mission?

...join a nationwide community of sport-for-peace activists?

...learn more about PPI's worldwide programs and staff?

...be a leader for social change in your own community?

## Consider becoming a PeacePlayers International Team Captain

Team Captains are PeacePlayers International's on-the-ground volunteer leaders, charged with helping PPI raise funds, cultivate awareness and assist our programs in their own communities. PPI is currently enlisting volunteers to help in the following areas:

- Fundraising
- Advocacy
- Public Relations
- Grassroots Support
- Recruitment
- Professional Skills

If you've ever thought of running a 5k for charity, hosting a socially conscious dinner party, writing a letter to the editor of your local paper, donating your birthday to a cause, or using your professional skills to make a difference, PPI wants you to join our team.
